

SS SB 13 -- LAWSUITS AGAINST FIREARMS MANUFACTURERS

This bill prohibits political subdivisions and the state from bringing legal actions against firearms manufacturers, trade associations, or dealers for activities relating to the lawful design, marketing, manufacture, distribution, or sale of firearms or ammunition. The prohibition applies to suits pending as of the effective date of the bill and all future suits.

An exception allows political subdivisions to file an action claiming a breach of contract for the purchase of firearms or ammunition. The bill also specifies that the lawful design, marketing, manufacture, distribution, or sale of firearms or ammunition is not an abnormally dangerous activity and is not a nuisance per se.
